I understand:

- The New Haven Reads (NHR) program is for children who are struggling with reading.
My child will be added to the wait list on the date I submit a completed waitlist application form AND a copy of his/her most recent report card.
I am responsible for making sure that my phone numbers are current.
NHR fills openings based on the date a child is entered on the waitlist. When space becomes available for my child, NHR will attempt to contact me using the phone numbers I have provided.
If I do not respond within the time frame indicated in the message, the space will be offered to another child.
After three unsuccessful attempts to offer my child placement in the program, NHR will remove my child from the Waitlist.
