

Name: _____

Date: _____

ETC Word Practice

1. Write the word 6x each using your workbook to help you spell the word.

2. What does the word mean? (use a dictionary, dictionary.com, or help from your tutor.)

3. Use the word in a sentence.

4. Now try your best to write the word 6x each from memory. (Fold the top half of the paper or cover it with another piece of paper.)
